

Utility VoIP

Engineered to be better

Chamber Member Discount Offer

Ancero is excited and committed to support The Gloucester County Chamber of Commerce in helping its members cut costs and save money whenever possible in this ever changing economic environment. Chamber membership guarantees access to aggressive discounts from Ancero on their "Utility VoIP" offerings. Utility VoIP is Ancero's award winning hosted VoIP service. By taking advantage of such discounts, members can see a quick return on their membership investment with the Gloucester County Chamber of Commerce as well as receiving a superior communication solution.

GCCC Members will receive a 10% discount off of the monthly recurring charge, on their Ancero Utility VoIP monthly invoice.

***There is a 10 seat minimum to qualify. Must mention chamber membership during first call.*

About Ancero's Utility VoIP Solution

.....a new breed of phone system that eliminates complex, expensive PBX hardware and software, adopting cutting edge technology to meet today's business needs. Flexible and scalable for businesses with one location, multiple locations or mobile workers all over the U.S. Utility VoIP is easy to use, easy to manage, with the most complete features and functions of any other VoIP solution. Delivered with superior call quality and the flexibility to make real time system or feature changes. Scalability that enables your infrastructure to grow with your business and an all inclusive service plan that supports your needs while reducing costs.

There's a customized Utility VoIP solution that's just right for your business. We offer different plans and options to meet your business requirements. Hosted and dedicated PBX server plans with everything you could ever want from a state-of-the-art IP PBX. At Ancero, we've worked hard to engineer a better voice solution. A solution that improves productivity, efficiency and reduces costs. Ancero Utility VoIP - Engineered to be better. *Call us 855-200-VOIP or email utilityvoip@ancero.com*
